# Productivity Suite Product Life Cycle Status

The Product Life Cycle Support Policy is designed to help communicate to Productivity Suite customers the technical support resources available during a product's life span and to provide advanced notification of planned changes to available support options. Read more about this in our Product Life Cycle Policy.

Notes:
- Dates listed in a support column provide the date on which the product entered that support level.
- All patches and hot fixes available for a particular version have the same support status as the version they address

**NOTE: General Availability Phase starts when the Product is released and ends the last day of the month shown in the table. Extended and Mature Life Cycle phases start on the first day of the month and ends on the last day of the month. A product is Retired on the date shown.**
